The tall green trees look up in thankfulness;
Below, the verdant grounds a farewell say
To our feet leaving now the sacred way
Which led to beauty, love and holiness.
Tower and halls are sad by emptiness
And the class' careless laughter ends today
In those walls which teach young men newer lay
To the glory of God and his greatness.
Alma Mater Be with us when we part
From you who for four years, cored, nourished
And increased our powers our gifts our art.
Bid courage gush like springs elevated
In times of fears, coming from your dear heart
Like "the over-soul", keeping us protected.

IN THE ACADEMIC

Foreword

Your school year has been successful, for you possess "Smith Spirit". Brick and Mortar, glass and wood, even furniture and shrubbery do not make a school until the building comes alive with you, your friends, your teachers, and that intangible thing we call "Smith Spirit".

One year of your life is recorded throughout the 1960 Bull. In the classroom "Smith Spirit" stimulated you to acquire knowledge—to seek truth; on the athletic field you achieved physical fitness, and in your heart was bred an insuperable desire to fight, not for personal honors, but for your school. Through participation in clubs and organizations, you developed leadership and a co-operative spirit, and in your contest with students and teachers you learned the value of friendship, loyalty, and understanding.

It is hoped that this has been a momentous year in your life, and that by putting forth your best effort here, you have been rewarded by intensifying within you all the priceless qualities which build character and that traditional "Smith Spirit".

THE PRESIDENT'S MESSAGE

In this complex world of air transport and guided missiles Johnson C. Smith continues to be a place, an atmosphere and a tradition in Christian Higher Education. We want it to remain a place where the freedom to teach and the freedom to learn are carefully maintained; where we become skilled in the organization and understanding of the complex relations between man in a modern society.

Our institution's tradition is in its product which through the years has consisted of men and women of solid attainments, living lives of usefulness, measuring up to their responsibilities and contributing to the betterment of their communities. Thus we have a rich Christian heritage, a solid concern for education and a warm devotion to our fellow-man.

A WORD FROM THE EDITOR

We have tried to give to you a yearbook that will show you a slice of life which you have enjoyed during your years here at Smith

Because we believe a yearbook should show more than it talks about, we have tried to keep the picture content high and the word content low

Now is the time, with Graduation coming up fast, to stop and look back, not only at one year but at all the years that we have spent together—at Smith, on the hill—and remember the things we said we would remember. And maybe, too, those that “we never knew we knew.”

TIME RUNS OUT

THE UNIVERSITY CHOIR

The Johnson C. Smith University choir is the regular church choir which is heard in the University Church every Sunday morning at 11:00 o'clock on the campus. The membership of the choir is composed of students from all departments of the college. Most of the members have had little or no musical training before entering college. This has required intensive training on the part of the University to develop an acceptable concert group. The touring choir consists of approximately 34 persons chosen from a larger group of about seventy-five voices.

The choir has been highly acclaimed in North Carolina, South Carolina, Virginia, Tennessee, Ohio, New York, Illinois, Michigan, Pennsylvania, Arkansas and Missouri. It has appeared in several radio programs and is one of the choirs included in the United Negro College Fund's regular college choir radio series.

Although the choir studies and performs both acappella and accompanied music, emphasis is placed on acappella choral literature. Because of the choir's close association with the church, an important part of its repertoire is, of course, church music. However, secular compositions, spirituals, folk-songs, solos, and selections by a male chorus will be heard.

Accompanist for the choir is Gerado Stroud, a freshman at the University.

Christopher W. Kemp, Director of the University Choir, is a graduate of Hampton Institute, Hampton, Virginia, and holds the Master of Music degree from the University of Michigan, Ann Arbor, Michigan. He has pursued additional graduate work at the University of Michigan, the Eastman School of Music of the University of Rochester, Rochester, New York, and the Peter Wilhousky Classes in Choral Conducting, New York City. During the summer of 1953, Mr. Kemp participated in a Music and Art Study Tour which carried him to the major music and art centers of Europe. During this time, he received a medal from UNESCO for serving as a participating conductor at the First International Conference on Music Education held at the Palais Des Beaux Arts, Brussels, Belgium.

Smith men use rough and tough ability in preparing to meet the requirements to wear the Gold and Blue.

The offensive line of the Gold and Blue with Pettis Normon leading on elbow and John Butler backing him up.

Strong defensive lines make up a good name of football. This is the defensive crew that led the nation (small colleges) for half of the season in yielding the least number of yards to opponents.

Tense moments just after the kickoff.

Ex-Smith coach, Stonewall Jackson, being brought to the Smith bench after St. Augustine's spoiled our homecoming, 20-0.

Second, third and fourth teams as they prepare to fight for positions in September. These men work hard from start to finish. These men often practice harder than the returning lettermen. Hats off to the men who make the "suicide squad."

THE WAY WE BURY THEM...

The Golden Bulls had one of their better seasons. The men fought the best teams in the CIAA. May we support the Gold and Blue as long as there is Gold and Blue. Our team ended its season with an outstanding 5-4 record.

The dribble derby was the best ever presented by athletes in the history of the Gold and Blue. The men who earned outstanding fame as being on the team to bring Johnson C. Smith University it's first Basketball Championship. This team was only defeated twice in conference play and both times at the hands of North Carolina A & T 65-61 and 94-93. The team earned the respect of every foe in the conference. It was such a well balanced team no one could be as being superior to any other member of the club.

The Golden Bulls set two new conference records on scoring the highest amount of points in a regular season game and highest scoring average in the conference. Our Mighty Golden Bulls represented us in the CIAA Tournament in Greensboro and represented the CIAA Conference in the NCAA Regional at Owensboro, Kentucky
